**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a small internet provider, Raw Bandwidth, that provides better and cheaper service than AT & T. Your new proposed rules would cut them out of the market, raise my bills, and provide me with worse service.

Please say no to price hikes that will increase the cost of internet and telephone services.
